B.E. - BEGINNING EXPERIENCE

B.E. is a support group for those coping with the pain of loss of their life partner, through Death, Separation or Divorce. Few people are able to cope alone with the pain of loss. Do you find that you need more support than family and friends can provide? Seeking help is a sign of strength and self-knowledge – not weakness. This is a healing ministry, which helps to resolve the grief that goes with the end of a marriage or relationship. Coping effectively with bereavement is a skill we can all learn. A team, who are themselves widowed, separated or divorced share their experiences with you.
 Next Coping Programme will commence on Wednesday 5th September 2018 for 7 Wednesday evenings, at 7.15pm in White Friars Community Centre, Aungier St. ,Dublin 2 For further information phone 086 0877379

Pope Francis Lumen Fidei

....we begin to see how love requires truth.

Only to the extent that love is grounded in truth can it endure over time, can it transcend the passing moment and be sufficiently solid to sustain a shared journey. If love is not tied to truth, it falls prey to fickle emotions and cannot stand the test of time.

If love needs truth, truth also needs love. Love and truth are inseparable. Without love, truth becomes cold, impersonal and oppressive for people's day-to-day lives. The truth we seek, the truth that gives meaning to our journey through life, enlightens us whenever we are touched by love. One who loves realises that love is an experience of truth, that it opens our eyes to see reality in a new way
