**Seeking Volunteers for Healthy
Ageing Research at Trinity College**

Dublin: Researchers in Trinity College Dublin Institute of Neuroscience are looking for volunteers to take part in an exciting new study examining how grip strength training programmes influence various types of learning and could provide benefits for the brain as we age.

We are looking for 50 healthy adults over the age of 66 who are right-handed. Participation involves approximately 8 hours commitment over the course of 4 weeks, with a short follow-up one month later. If you are interested in finding out more, please email Eimile Holton, School of Psychology Trinity College Dublin at eholton@tcd.ie or call 085 8245898.

CATHOLIC SCHOOLS WEEK

The Week begins today. During this week, the pupils, staff, parents, grandparents, member of Boards of Management and the people of the parish will show in lots of ways that they are proud of their Catholic Schools. It is good to celebrate who we are and the work that we do.

The **theme** for Catholic Schools week this year is '*Catholic Schools: Celebrating the Work of Our Own Catholic School*'. This year's theme is a reminder that we should celebrate the wonderful work that we do as a Catholic School.

This year we celebrate the work in three ways:-

Ms Patricia Dwyer, Principal of Mercy College, will speak at all Masses this weekend .

Chanel College, Mercy College and Scoil Chaitriona will display their work with a **photo montage** on the inner walls of the Church.

During the week each of the three schools will participate in one of the **10am weekly Masses** – music, readings, Prayers of the Faithful, Communion Reflection. Chanel College (Monday), Scoil Chaitriona (Wednesday), Mercy College (Friday)

Please note there will be NO Funeral celebrations at 10am Masses (Monday, Wednesday, Friday)
