Light Refreshments to Follow

ARCHBISHOP DERMOT FARRELL

The Church in Ireland is living through a period of profound change. This is inevitably going to affect our parish life.

Archbishop Farrell on his arrival in the Diocese established a Task Force to assist him implement change to help us face the new challenges. He is grateful to over 3000 people who gave their responses.

In February he issued a Statement of Mission emphasising that our primary purpose is to accompany people today towards an encounter with the Lord Jesus. *"This undoubtedly require new ways of looking and thinking, it requires a shift in mind-set; and will need responsible stewardship".*

Now he has written an **Easter Pastoral Letter** called "Living the Hope of Easter". Copies are available in the church and on the diocesan website. Between now and Pentecost Sunday each parish is asked to respond to the pastoral situation we find ourselves in. *"I ask parish teams, parish pastoral councils and parish finance committees to lead their parish in a discussion of the gifts and talents available to them, the education and formation they need, and the parish partnerships that make most sense in their locality."* During the second half of May you will be invited to a parish gathering.

From Monday next we will pray, at all Masses, **the Building Hope Prayer.**

I will keep you updated as we proceed on our journey Building Hope.
