World Mission Sunday

This weekend parishes worldwide celebrate World Mission Sunday. The kindness shown will help overseas missionaries to continue to share the love of God with some of the world's most marginalised and vulnerable people. Thank you for supporting in whatever way you can, and please remember it is more than an appeal for financial help. Missionaries also need spiritual support. On World Mission Sunday missionaries take great strength in knowing that the faithful of the world are keeping them in their thoughts and prayers. Help right now. Donate €4.00 by texting the word 'Mission' to 50300. Alternatively donate at www.missio.ie or call Missio Ireland on 01 497 2035. To learn more go to www.missio.ie

Covid-19 Latest Update.

Further clarification has been received from Government regarding the announcement on Tuesday that from Friday October 22nd, "religious services and weddings can proceed without capacity limits but with all other protective measures remaining in place". The update from Government provides the following commentary:

This is a very positive measure, however it is imperative that all other Covid-19 protective measures remain in place in order to protect all members of our communities/congregations.

Premises should be well ventilated, hand sanitiser should be provided, Places of Worship should continue to use separate entry and exit routes, and face masks should be worn. Congregations should be encouraged to spread out as much as possible when attending Places of Worship and those experiencing any Covid-19 symptoms should be discouraged from attending.

As the capacity of Places of Worship and numbers attending varies greatly, the onus will be on each Place of Worship and community to consider what they are comfortable with and what best suits their congregation. This will be particularly relevant for funerals/special ceremonies, with large congregations in attendance. Attendees on these occasions should not be permitted to stand in the aisles or doorways and hand-shaking and the use of condolence books/sharing of Booklets etc should continue to be avoided.

Please be aware of the sensitivities and worries of other Mass goers at this time by strictly adhering to the above guidelines.

As you will have seen from above, under Government Guidelines, there is no longer a restriction on the numbers who can attend services in the Church. As a consequence of this decision, there will no longer be a need for stewards at our Sunday Masses. I want to offer a big thank you to all the volunteers who undertook the stewarding duties. Put simply, without their dedicated and loyal service each week, we could not have continued with our Sunday Masses.

Fr. Edwin

Altar List of the Dead

The Altar list of the dead envelopes are now ready for distribution to the various roads within the parish.
We are seeking volunteers to help with this task.
Envelopes for those outside of parish and who attend St. Brendan's are available in the usual areas around the church.
Mass will be celebrated each month throughout the year for our deceased loved ones.

We would like particularly to invite all those who assisted in Sanitising of the church throughout the Pandemic.
